

Do you want to try an unconventional rocket start of your legal career?

Spend two years as a PA to CEO of a fast growing company, get to know all of Europe and be part of exciting creation of new business.

Our real estate development company, specialized in logistics and listed on two stock exchanges, is based on Belgium, with operations in Germany, Czech Republic, Spain and several other countries and is currently starting operations in some additional markets. The real estate business is very intensely law-driven, as every single product requires specific attention to legal matters, therefore we think it is a great opportunity for a kick-start of a career in business law or in business in general for a recent law graduate.

Requirements: full command of English and Spanish, good knowledge of German required, knowledge of Dutch, Czech or French appreciated, fast typing, flexibility in terms of travelling and place of work.

Job content: direct assistance to CEO in coordinating meetings, travel plans, administration of correspondence, internal company matters.

Job parameters: full-time employment, interesting compensation, company phone, car, computers, etc.

Should you be interested, please send your CV/resumé to juraj.alexander@vgpparks.eu (head of legal department).
