Dear Sir or Madam,

It is my pleasure and honour to invite you to attend and register for an International Conference „Exegi monumentum aere perennius” – the monuments of law over the centuries, Krakow 11-12 December 2015. The event is organized by employers, PhD students and members of the Student Learned Society of State and Legal History of the Faculty of Law and Administration at Jagiellonian University.

The subject of deliberation during this year’s conference will be normative acts which played fundamental role in shaping the western legal culture. We expect papers regarding the history of their formation, the process of application and impact on later regulations of the solutions they contained.

The addressees of the conference are young researchers of law and the history of law: graduate students, PhD students and PhD graduates. Applications for the conference should be received until the 8th November 2015 on an application form and should include a short summary of main theses (maximum 300 words; methodology, bibliography). The applications will be verified and subsequently a response will be sent. What is essential, the positive decision is required to make a payment. Presentations cannot take longer than 15 minutes and texts for publishing cannot exceed the length of 40000 characters. We would be grateful if you confirmed your will of participation until the 25th September 2015 which is necessary to apply for subsidy. The languages of the conference are English and Polish. An edited book, composed of verified texts, is expected to be published, likewise antecedent events.

The participants will be served one meal during the conference. The conference fee is fixed at 150 PLN/38 EUR. The basic conference fee does not include accommodation, nevertheless assistance finding a hotel or a hostel will be provided. Bank account number will be included in the response to your application.
